

# MATERIAL HANDLING POWERED BENDER TABLES

Powered back  
part of the table.

Bender  
table  
ramps.

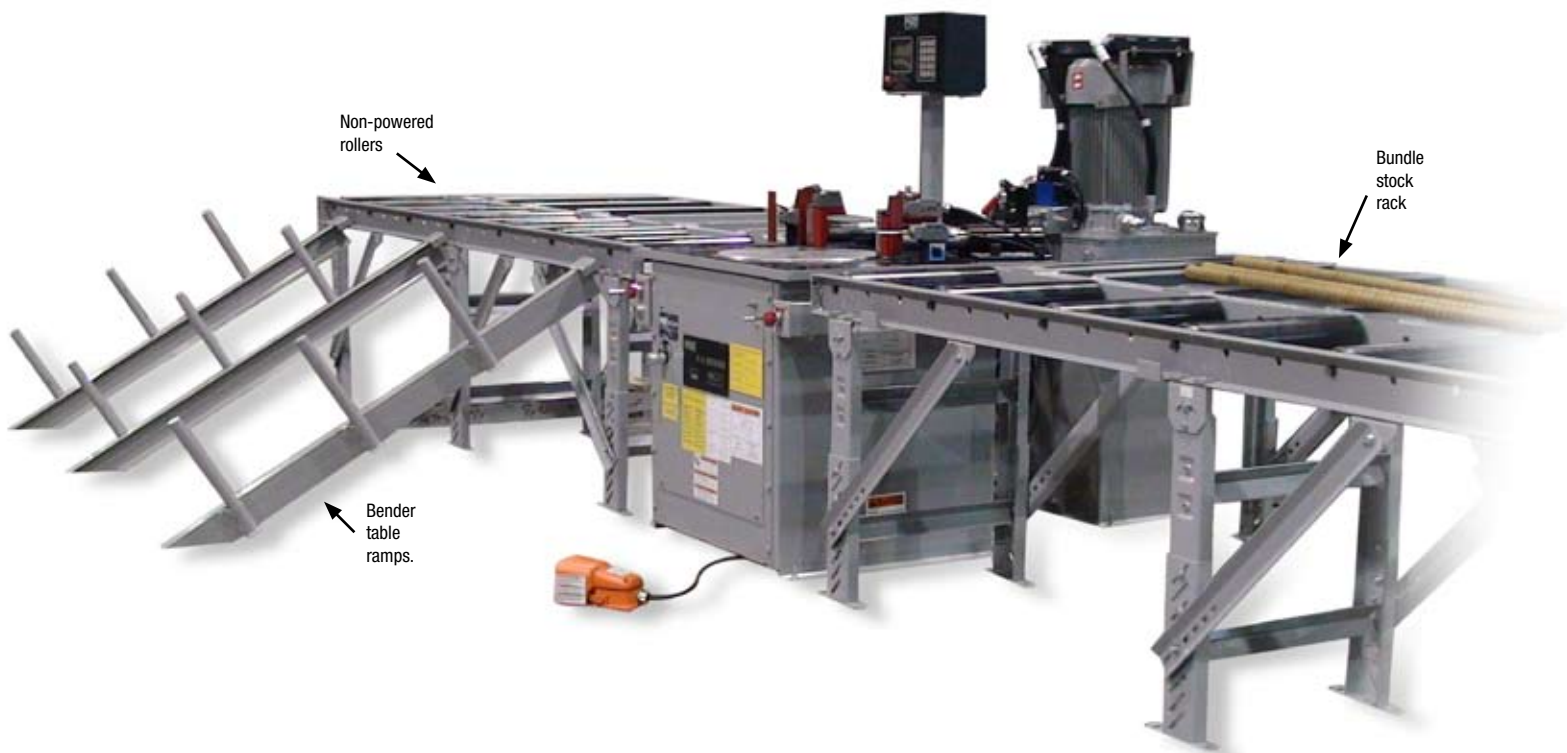

Along with our quality table benders, KRB offers a robust and flexible line of bender tables. Available in 3m sections and in two different styles, powered and economy, we can customize the right solution for you. Our power tables (pictured above) convey bar to your operator, saving operator fatigue and repetitive motion injuries. Our economy tables offer a solid, cost effective option.
